## Ridis to hold fundraiser for FPCC

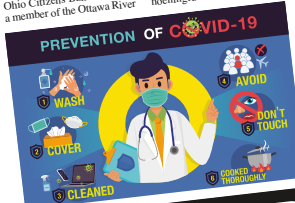

Ridis Point Place is hosting a fundraiser for Friendship Park Community Center to support daily operations at the center.

Friendship Park Community Center has been closed since March due to COVID-19 and unable to hold its annual fundraiser, like craft shows and monthly dinners. From November 6 to 26, every dollar donated at Ridis Point Place will be matched by the gas station, up to \$500. Residents can stop by the local stores and state that they would like to make a donation to benefit the community center.

Ridis is holding a competition between all of its locations, with each store selecting a nonprofit or organization to benefit. Ridis Point Place chose Friendship Park Community Center.

Activities at the community center depend on donations and fundraisers. Volunteers have been working to get the center ready for opening. The city of Toledo will clean the floors and disinfect the center after election day.

Ridis Point Place is located at 4833 North Summit Street. Friendship Park Community Center is located at 2910 131st Street. It is a 501(c)3 nonprofit organization. More information about the fundraiser is available at Ridis.
